Notes:

1. Figures in the above table and graph are provided from the Cafcass national case management system (CMS). The unit of measurement is a Care application, upon its receipt by Cafcass from the Court and its entry into CMS. An application can involve multiple children. CMS is a live system and any late entries will be accounted for at the time of release of subsequent updates to this data. Updates to this information will be published on a monthly basis, in the second week of each month.

2. Pre-release of these statistics has been made available to the Children's Minister, Tim Loughton MP in accordance with The Pre-Release Access to Official Statistics Order 2008.
