

Family Courts

- Are your parents splitting up?
- Do your parents live in separate houses?
- Does someone in your family have to attend mediation or a Separated Parent's Information Programme?
- Do you have a social worker, Family Court Adviser or Guardian who is helping you and your family?
- Are your parents asking a judge to make decisions about you?

DID YOU KNOW ?

There is lots of information available for you on the internet and you can speak to:

.....
who will help you access and look at all the information.

Whatever your worry they can help you, just contact Childline
