

Anti-Fraud Policy

Overview of Policy

This policy sets out the requirements relating to countering and reducing the risk of fraud within Cafcass. It applies to all staff, including self-employed contractors and those under any other agreement for the provision of services.

1. Introduction

1.1 Cafcass encounters very few incidents of fraud but remains committed to reducing the risk of fraud to the lowest possible level.

1.2 All instances of suspected fraud will be vigorously and promptly investigated, and appropriate legal and disciplinary action will be taken.

1.3 The aim of this policy is to:

- Improve knowledge and understanding amongst Cafcass staff at all levels of the potential areas of risk of fraud.

Failing to disclose information when there is a legal duty to do so.
- **Fraud by abuse of position (s.4)**
Abusing a position where there is an expectation to safeguard, or not to act against, the financial interests of another person or organisation.
