Re: Freedom of Information Request

Thank you for your email of 20th February 2015. You made the following requests for information:

I'd be grateful if you could please let me know the cost / funding allocated to the Supporting Separating Parents in Dispute (SSPID) pilot project that I understand began in November 2014 and was scheduled to run for six months.

Please see below for our response.

The costs for the pilot project are marginal and being met from within existing resources. As activity grows we will be monitoring the impact on both direct costs and outcomes, for subsequent evaluation.

We hope that you feel your question has been answered effectively. If you are unhappy with the decisions made in relation to your request, you may ask for an internal review to be undertaken. If you are dissatisfied with the way the internal review is handled or with the final decision made at that review about the information released, you are free to contact the Information Commissioner's office (www.informationcommissioner.gov.uk):
