Re: Freedom of Information Request

Thank you for your email of 1 December 2015. You made the following requests for information:

Who is the senior officer (outside of procurement) responsible for ICT/Digital/Business Change Programmes & Strategy?

Please see below for our response.

Please see the [Cafcass organisational chart](#) which sets out lead accountabilities within Cafcass: the Cafcass Director of Resources, Julie Brown, has responsibility for IT and Business Planning; the Cafcass Head of IT is Rob Langley.

We hope that you feel your question has been answered effectively. If you are unhappy with the decisions made in relation to your request, you may ask for an internal review to be undertaken. If you are dissatisfied with the way the internal review is handled or with the final decision made at that review about the information released, you are free to contact the Information Commissioner's office (www.informationcommissioner.gov.uk):
