

National Q4 17/18 Care and Supervision Duration

This heat map shows the average duration of care (s31) applications closed in the selected quarter by Designated Family Judge (DFJ) area. The average (calendar weeks) is calculated from date of application to court to date application completed as recorded in the Cafcass databases (CMS and ECMS).

The colour bands on the map now reflect the 26 week target that came into effect under the revised PLO. Please note that as this information is based on all closed applications, some applications captured may have started prior to the implementation of the revised PLO, which for Cafcass was the 7th October 2013.
